MR. ROBERT HOUSTON, WARDEN
LINCOLN CORRECTIONAL CENTER

Dear Sir,

I would like to ask you to have the individuals, unknown to me at this time, whom I believe to be Mental Health, Psychologists, Psychiatrists and select members of staff, to unhook and remove from my person a Device or Equipment (Electro Static Pressure Machine??) before any more damage is done to me. This Device or Equipment has been used on me long enough, for no purpose other than to burn my skin (static electricity), cause me some facial damage and other bodily structural damage, attempt to cause confusion (both at work and in room), affect my ability to think and reason, cause coordination problems, problems with speech and hearing, writing and printing, vision impairment, and has the ability to masterbate me while sleeping or awake me just before same. Some of this is done by speeding up and slowing down brain functions.

I don't know why these individuals would go to so much trouble to try to get me to go off or to stir up trouble for me with other inmates; mess with my opportunity to advance thru the system (custody changes). This has also been going on at N.S.P. and O.C.C. I have spoken briefly with Dr. Danaher about this and I am sick and tired of these individuals causing me medical problems because of there own mental instability or shortcomings. I have also had problems with the mail, kites, etc. I would like to have the opportunity to do my own time! I am hoping that you can help me resolve this!

Sincerely

MATT. SIKORA, 39079
